

# New! SUPER Surpass ECP AR

A premium Super-hydrophobic Anti-Reflective coating that repels dust, dirt, and grime – making your lenses easier to clean and keep clean.

- **Super hydrophobic/oleophobic** (super water-repellent and oil-repellent) properties make for an extra slick surface that is easier to clean
  - Now includes a non-slip protectant topcoat on uncut lenses to simplify edging
- **Anti-static** property helps repel dirt and dust, keeping lenses cleaner for longer
- **Eliminates reflections**, providing:
  - More attractive glasses – makes it easier for others to see the wearer's eyes through the lenses
  - Better vision – allows 98.5% of visible light to pass directly through the lenses\*
    - « \*Percent transmittance for Super Surpass ECP AR on plastic lenses
- **Reduces blinding glare**, allowing for clearer vision and reduced eye strain
- **Scratch-resistant and durable**, defending lenses from everyday wear
  - Scored a 4.7 out of 5 on the Colts Real Life Simulation test – an accelerated wear test that evaluates AR cleaning, abrasion/scratch abuse, and adhesion after cycles of heat/humidity.
